Map Skills - The World-R. Scott House 2010-09-01

Color Overheads Included! Explore the varied features of the world while reinforcing basic map reading skills. Sixteen student pages and accompanying blackline and full-color maps coordinate to provide a relational study of the elevation, vegetation, products, population, and peoples of the world. Student pages challenge students to combine maps and additional resources in order to answer questions and make judgments. Question topics follow the Five Themes of Geography as outlined by the National Geographic Society: finding absolute and relative locations on a map, relating physical and human characteristics to an area, understanding human relationships to the environment, tracing movement of peoples and goods throughout an area, and organizing countries and continents into regions for detailed study.

Passport Series: Central and South America-Deborah Kopka 2011-09-01

Issue your students a passport to travel the globe with this incredible new series! Eight jam-packed books visit more than 50 countries from all seven continents, from North America to Australia and back again. Units feature in-depth studies of each country's history, culture, language, foods, and so much more. Reproducible pages provide cross-curricular reinforcement and bonus content, including activities, recipes, and games. Numerous ideas for extension activities are also provided. Beautiful illustrations and photographs make students feel as if they're halfway around the world.

Geographic Reasoning-Terri Raymond 2014-07-10

If your tween is struggling with social science, then this book is for you; the short book covers the topic and also contains 10 discussion questions, 10 activities, and 20 quiz style questions. This subject comes from the book "Seventh Grade Social Science (For Homeschool or Extra Practice)"; it more thoroughly covers more seventh grade topics to help your child get a better understanding of seventh grade social science. If you purchased that book, or plan to purchase that book, do not purchase this, as the activities are the same.

Seventh Grade Social Science-Terri Raymond 2014-07-10

Over 50 discussion questions and activities, and 50 quiz questions, fill this comprehensive social science book. The book covers the following topics: Gathering and Using Evidence, Chronological Reasoning, Comparison and Contextualization, Economics and Economic Systems, Geographic Reasoning, and Civic Participation. If you are homeschooling (or if you are just trying to get extra practice for your child), then you already know that social science workbooks and curriculum can be expensive. Homeschool Brew is trying to change that! We have teamed with teachers and parents to create books for prices parents can afford. We believe education shouldn't be expensive.

Canada Map Skills (eBook)-David Fletcher 2003-09-01

This book presents supplementary learning experiences which focus on basic geographical concepts and skills. The activities provide practical learning projects, stimulate critical responses, and enhance the understanding of the geography of Canada. Each of the twelve teaching units in the book is introduced by a PowerPoint slide that emphasizes the basic concept of the unit. Student activity pages provide reinforcement and follow-up activities. The teaching guide offers student activity objectives, the teaching focus, suggestions for enrichment projects, and a complete answer key.
