Overall, I think the book has been "refactored" in a good way. It is much tighter. And, certainly more relevant to modern JavaScript programming. Of course, JavaScript will continue to evolve so I expect future editions will continue. But, this edition feels like a checkpoint one should mark. I have done so and my 6th edition is being duly donated.

JavaScript: The Definitive Guide: Master the World's Most-Used

The Isuzu Elf (Japanese: 日産エルフ, Isuzu Erufu) is a medium duty truck produced by Isuzu since 1959. Outside Japan it is known as N series. The range was originally mainly available in Japan and other Asian countries. Australia was another important market for the Elf and N series - to the extent that it was manufactured there from the 1970s using many local components.

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
