He Walks with Dragons-Stanley S. Thornton 2013-04-30

"He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

Stop Sabotaging Your Life-Bruno Logreco 2012-10-01

In Stop Sabotaging Your Life: 3 Steps To Your Full Potential, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough.... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams. LoGreco doesn't claim his book will cure everything that ails you. As he says, "There is no secret formula, no magic pill that will make you happy, productive, and successful. You

must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether.”What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco:“As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself.... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that.”— Cristina“The world is filled with very successful executives who for decades focus every waking minute on professional accolades and professional development [only to] realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past.... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose and passion; and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential.” —Adrian“If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth.” —Blaine

Three Your Life-David R. Sanders 2016-10-04

Traditional beliefs about meeting goals are fundamentally flawed. Goal setting tactics assume goals are measurable, achieved, and final-all attributes that describe objectives, not goals. Unlike objectives, which are by their very nature self-contained, goals are immeasurable. A goal is realized, not achieved, and must be maintained to remain successful. What good is the goal of losing weight if you don't keep the weight off? Losing twenty pounds is an objective. Keeping that twenty pounds from returning is a goal, which must be maintained to remain a success. In Three Your Life, entrepreneur and accidental expatriate David R. Sanders applies this important distinction between goals and objectives. Beginning with attitude, outlook, and perception, Sanders builds a solid foundation on which to effect major life changes. Learn to differentiate between needs, wants, and desires-and discover how focusing on desires causes everything else to fall into place. To realize desires, Sanders reevaluates conventional thinking on prioritizing tasks, using a three-part daily structure that ensures you're working toward a productive and fulfilling life. A fresh new approach to goal setting, Three Your Life offers the opportunity to realize your goals, achieve your objectives, and understand the difference between the two.

Krav Maga Training Manual: A Guidebook to Changing Your Life Through the Martial Arts-Master Tracy Thomas 2014-08-29

An internationally renowned wrestler, boxer and gymnast, Imi Lichtenfeld recruited young men who shared his views, but his tactics were no match for armed adversaries. So he focused on creating a form of fighting that combined all the martial arts with a new way of thinking. Tracy Lee Thomas, a master teacher who has been instructing students in the martial arts for more than thirty years, explores how Krav Maga evolved and how to use it to transform your life. He examines its core principles, including: Neutralizing threats: This is the first and foremost objective. Simplicity: The art consists of holds, strikes, and blocks that are simple and efficient. Defense and attack at the same time: By using both techniques in a single move, you can remove the threat as quickly as possible. Constant motion: The objective is to incapacitate the opponent with a continuous series of movements that are aggressively defensive.

Choose This Day-T. B. Henderson 2017-03-13

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the

alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Percy-T. Gates Whiteley 2017-02-15

While doing genealogy research, a college professor runs across a true example of that most wayward of American existences-the hobo-in a story of a pair of runaways who hopped the rails, departing for times and places unknown, with only their adventurous spirits to guide them. Near his life's end, Percy B. Gates was a distinguished family man. He'd settled down and leveled out, but his past was full of adventure. At age thirteen, Percy and his best friend, Bill, ran off, whisked away from their homes on railroad tracks. They met a wide cast of characters while traveling the fifty states, from Wyatt Earp in the Old West to Teddy Roosevelt down in San Antonio. Bill fought a war, and Percy barely missed joining Roosevelt's Rough Riders. Eventually, they became boilermakers on that same railroad and found themselves in the middle of more than one outburst of union violence. Their rowdy journey through life ended up as more than those young runaways could have imagined. This expansive adventure portrays a classic American story, based on the author's grandfather's own tales and letters. Leaving a disastrous past behind, the hobo sets off on his own American dream.

Life Train-Clarissa Wilbourn 2019-06-26

In an attempt to travel back in time to correct a mistake he felt he made, Michael created a machine that can tell the life of your unborn child. So he created the Life Train, a traveling abortion clinic, but you must participate in a one hour counseling session before you can have an abortion. In this session you will see what your life is like after an abortion. The you will see it without the abortion but each session is an eye opening experience; each client has their own unique story. Life Train was written in 1982 when abortion clinics were under attack and abortion doctors were being killed. This is a series of short stories that bring a human side to the choices of abortion. These stories touch the heart like no other; it's a journey into the possible experiences of those who have to make that decision.

The Purposeful Millionaire-James R. Nowlin 2017

A near-death boating accident forced 31-year-old James Nowlin to take a long hard look in the mirror. As a result of what he calls his "awakening," this already self-made millionaire and respected CEO reshaped his perspective and reprioritized his life. In *The Purposeful Millionaire*, James shares the four-

part formula he used to transform his life into one of abundance and purposefulness. He believes that if he can survive the literal waters from which he was pulled, you too can survive--and thrive--in life's roughest waters. In this book, you'll learn how to:

- Shift thoughts of self-doubt and fear into ones of certainty
- Attract abundant personal and business relationships
- Use discipline and routine as the foundation of success
- Adopt an attitude of humility, kindness, and gratitude
- Arm yourself with the self-made-millionaire mindset

The Purposeful Millionaire will take you on a journey of self-mastery, guiding you to unlock your greater purpose; to achieve your highest success; and to live an epic, powerful, and abundant life. Your life is in your control!

Give a priceless name to your life-SANSKAR GUPTA

Our thinking is the most important factor of our life, our way of thinking decides all the things. Our thinking affects our lifestyle even our health. People's life is based on what they think. Some beautiful quotes... We are what our thoughts have made us; so take care about what you think. Words are secondary. Thoughts live; they travel far. Swami Vivekananda The biggest obstacle to wealth is fear. People are afraid to think big, but if you think small, you'll only achieve small things. T. Harv Eker It takes the same effort to think small than to think big. But to think big frees you from the insignificant details. Jorge Paulo Lemann Here are some beautiful creations of writers which depict their thinking,how it is, till what limit they can think.
